Dear Mr Martin

RE: TOCAL CONSERVATION MANAGEMENT PLAN

I refer to the final version of the Conservation Management Plan (CMP) for Tocal, dated 10 February 2014 submitted for endorsement by the Heritage Council.

It is noted that majority of the amendments requested by the Heritage Division on the 9 October 2013 have been incorporated satisfactorily into the final version of the CMP. The subject CMP is therefore conditionally endorsed under s38A of the *Heritage Act 1977* for a period of ten years. As a condition of endorsement, information that closely identifies local Aboriginal cultural sites is to be redacted from copies of the Conservation Management plan made available for public viewing.

Two copies of the final version of the CMP are required. One printed and bound copy will be returned to you with endorsement stamp. The second copy will be retained for the Heritage Division library. Please arrange for a second copy of the CMP to be forwarded to the Heritage Division.

For enquiries regarding this matter, please contact Tracy Appel at the Heritage Division on (02) 9873 8559.

Yours sincerely

 18.4.2014

Dr Tracey Avery
Director
Heritage Division
Office of Environment and Heritage

As Delegate of the NSW Heritage Council
