CAPTURING TIME IN LAMBTON

A celebration of past, present and future

10AM SATURDAY, 20 OCTOBER 2018

LAMBTON PARK

City of Newcastle invites you to join the celebrations in Lambton Park!

Festivities Commence with a parade stepping off from the southern end of Lambton Park heading up to the Rotunda. Marchers include: Hunter School of the Performing Arts, Australian Army Band Newcastle, City of Newcastle Pipe Band, local school student leaders, dignitaries and citizens of Lambton.

Enjoy live music in the Rotunda, vintage MG car and vintage motorcycle display, stilt-walkers, face painters and "retro" sports.

This event marks 100 years since the stone foundations of Lambton Memorial Gates

were laid and under which, a time capsule was buried.

We honour the heart-felt dedication of the Ladies Committee and citizens of Lambton in fund-raising for the memorial gates and their foresight to include the time capsule.

A ceremony will reveal details of unearthing the 1918 time capsule and its contents - the only officially recognised World War I time capsule in Australia and a new time capsule will be installed near the gates for opening in 2118!
