MAYFIELD EAST:

Mrs. Cunliffe's property. Transfer to Broken Hill Proprietary, Limited.

The site originally selected for an Infants' School at Mayfield East comprised an area belonging to the Broken Hill Proprietary, together with properties of Mrs. Cunliffe and Mrs. Shaw. Subsequently representations were made by Mr. Rankin, Solicitor for the Broken Hill Pty., that the land was required for impending developments, and when it was pointed out that the Department was already committed to the purchase of Mrs. Cunliffe's property, Mr. Rankin undertook, on behalf of the Broken Hill Pty. to assume the Department's liability in respect of the properties of Mrs. Cunliffe and Mrs. Shaw, if another site were secured.

An alternative site has been selected, and is now in process of acquisition.

The Department's only liability in regard to the site originally proposed is in respect of Mrs. Cunliffe's property, which this Department has agreed to purchase for the sum of £330. Mr. Rankin is prepared to take over this property at the price herein mentioned.

The transfer of Mrs. Cunliffe's property to the Broken Hill Pty. will be "by direction" of the Minister of Public Instruction.

Executive Council Minute covering the formal sale to the Broken Hill Pty. of Mrs. Cunliffe's property is now forwarded for the Minister's signature.
